

Learning MORE about horses

Would you like to learn how horses evolved over 50 million years and survived by outwitting & outmanoeuvring the predator (us??)

Learn more about how the herd system works

.....and more importantly... why this knowledge is relevant to handling/riding/training And understanding unwanted behaviour

I will share my knowledge & experience gained from 25 years of horse behaviour work which will help you gain a deeper understanding of why they do what they do

So if you want to learn more come join us on a journey of equine discovery!

The day is a combination of lecture... audience participation and dvd footage

West Meston Village Hall

Saturday 25th February 10.00 to 4.30pm

price £60.00 paid in advance

please contact me for payment details and further information on:
workshops ~ courses ~ private behavioural consultations ~ group lessons
