### *HORSE AGILITY*

[www.horseagilitygb.com](http://www.horseagilitygb.com)

A new equine sport that is like dog agility but with your horse on the end of a line, and not quite so fast! There are training days and competition days and step by step levels taking you from simple tasks through to more complicated tasks ending up with the option of doing the obstacles off line and for the fit ones amongst us there is also a wild agility over 5 kms! I am thrilled to be a part of this and wear my new hat with pride (Horse Agility Associate Trainer) For further information on training days and competitions or hosting please visit their website for dates and venues.

### *COVER-ALL*

[www.coverall.net](http://www.coverall.net)

Most of you will have seen the magnificent indoor arena that Pat Parelli uses. I have often wondered about bringing the concept of a beautiful light airy and warmer building to the U.K. and I recently found out that they are already here so took no time in introducing myself, easy with a new office just opened in Brighton. Several meetings and training days later I can happily announce another hat on my head. Equine Sales Representative Coverall U.K. Coverall not only offer a huge variety of shapes sizes and colours for indoor arenas, they also offer field shelters to feed storage through to covering your already established arena or stable block all depending on your individual needs. Take a look at their website and please contact me if you are interested and would like to know more.

### *MARWOOD FARM NATURAL LIVERY YARD - proprietor Sue Swayne*

[www.marwoodfarm.co.uk](http://www.marwoodfarm.co.uk)

Surrey can now boast yet another natural livery yard! Nestled on the Sussex/Surrey border. Marwood Farm is on 35 acres of beautiful well drained paddocks, plenty of stables and hard standing for parking and a wonderful 20 x 60 m rubber surfaced arena and classroom. A perfect venue for workshops clinics & demonstrations. I have moved my horses here and am

running the Horse Agility days as well as giving weekly lessons (private & group) & demonstrations. The atmosphere is positive and progressive and natural with a good dose of common sense. I am thrilled to be in a working partnership with Sue Swayne and look forward to seeing you at one of the events.
